CARDINAL

1966

1966 CARDINAL

CAROLINE HIGH SCHOOL

BOWLING GREEN, VIRGINIA

Foreword

We, the Annual Staff, present to you the 1966 CARDINAL. It is our sincere hope that this book represents fond memories of gay and sober moments. May it reveal you, for you are a part of its existence.

May this book represent our school; a school which is more than bricks and mortar, concrete and tile, books and blackboards, and athletics and studies. Let it also represent a time . . . . a time of learning, of working, of playing, and a time of yearning for those things yet to come.

It is with this hope that we present this book to you, the students of Caroline High School.

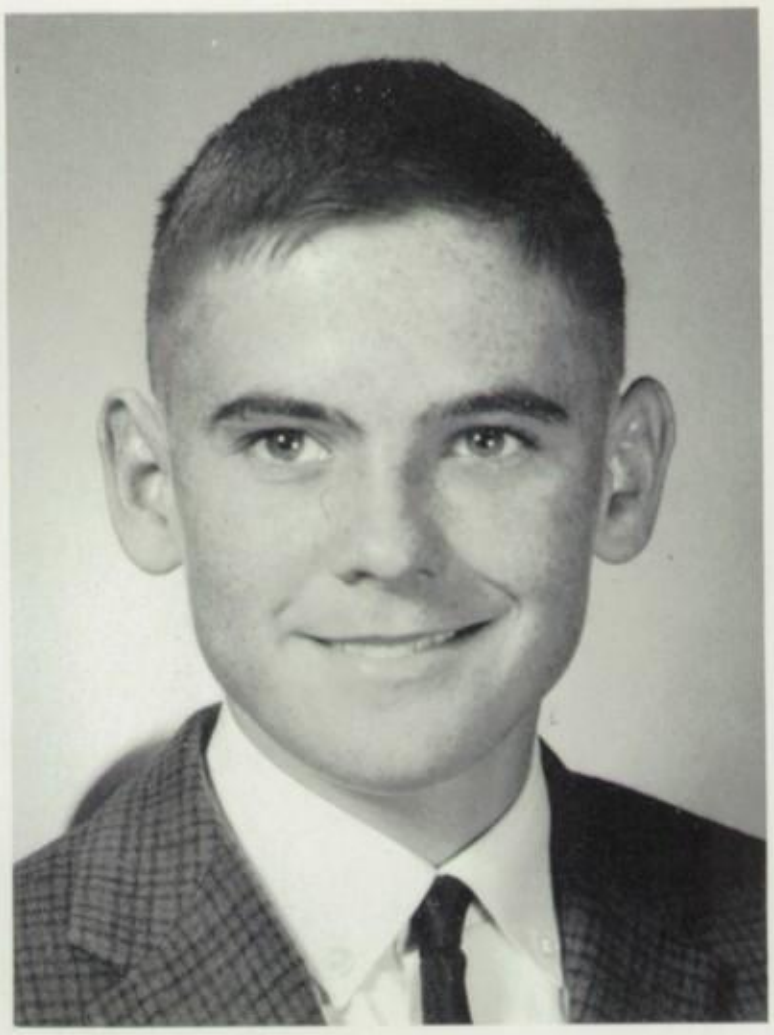
Dedication

As a token of appreciation to one whose understanding and thoughtful guidance, whose intelligence, good humor, and patience all combine to lead her students along the road of learning, we, the Annual Staff, do respectfully dedicate the 1966 CARDINAL to MRS. EMILY KIDWELL.

May she continue to teach and inspire students for many years to come.

In Memoriam

Pat



Joe

Almighty God, we entrust all those who are dear to us to thy never-failing care and love, for this life and the life to come; knowing that thou art doing for them better things than we can desire or pray for; through Jesus Christ Our Lord.

Faculty at Work

Teaching involves a wide variety of activities. Among these are: providing a good environment for learning, counseling students on individual problems, giving instruction, grading papers, keeping records, and making reports. A teacher is truly many things to each individual student. Our modern life depends on their teaching. Let us take this time to pay tribute to each and every one of our faculty members to show how deeply we appreciate their efforts and true devotion for teaching others.

CAROLINE! OH, CAROLINE!

Car-o-line! Oh, Car-o-line!
When we're a-way our hearts do pine,
For the school we love most dear,
Where our hearts from year to year,
Have cher-ished mem-o-ries so fond,
May they strength-en eve-ry bond,
In our fu-ture lives to come,
When e'er this school song is sung.
God bless dear old Car-o-line!

ADVERTISEMENTS

Now what?

Now that you have graduated you must answer the inevitable question—"now what?" For all of you it means the continuation of studies in one way or another, because learning must and will continue throughout your lives.

In the years to come you may have no more report cards or examinations, but everything you do will be judged realistically. Your preparation for every goal will be carefully watched, thoughtfully evaluated.

Your courses have given you the tools for thought and judgment. They will serve you well, whatever the future has in store for you.

Here at American Viscose we owe much of our progress to the adoption of new ideas, new improved methods and fresh approaches brought to us by young people like yourselves who never learned to stop learning.
